

# Access Address Book FAQs

As part of our continued efforts to develop the venues accessibility we use an 'Access Address Book'; a document for the exclusive use of our Ticketing team to assist with accommodating specific access requirements and the requests of our Deaf and disabled customers.

This system has been designed to help our team better understand our customer's needs and accommodate their requirements to ensure that the booking process is easier for you and more comprehensive for us. We believe that by maintaining a list of our customers and their requirements we can better understand the barriers you may encounter when visiting the Brighton Centre and limit any potential impact. This helps us provide the best service possible by tailoring our events to your needs.

## What is the 'Access Address Book'?

The 'Access Address Book' is essentially a list which will detail customer's essential contact information in addition to any details which may help our Ticketing team when booking for an event at the Brighton Centre. It will detail your specific requirements in addition to any personal preferences you may have. For example, if you have visited before, you might favour a particular area of the auditorium and the list will notify us of this so when you book, we'll know.

## Why do you need this information?

Until we launched the Access Address Book we allocated accessible seating and particularly free Personal Assistants tickets, via an honesty system, we did not ask for proof of eligibility, and subsequently the system was open to abuse.

To prevent such abuse and ensure these tickets are available only to customers with a legitimate need we decide to change the way we manage these bookings.

The Brighton Centre works closely with 'Attitude is Everything' to improve the service we provide to our Deaf and disabled customers and as part of our commitment we want to ensure that our resources are to the highest standard and available to as many people as possible.

The implementation of this system means that we are now able to provide a greater number of tickets for our customers and identify areas of strength, and where we might need to improve.

For those who require the aid of a free Personal Assistant it means greater ticket availability and for those who visit us independently it will ensure that we find the best location possible to ensure they enjoy the event.

## **I require a Personal Assistant, how does that work?**

Some of our customers require assistance when visiting the Brighton Centre and we do offer free Personal Assistant tickets in such cases. By registering eligibility for a free ticket, we can issue more tickets than in our previous system where the amount was capped per event.

In order to issue free Personal Assistant tickets, we need proof of eligibility by one of the means listed below:

- Front page of DLA / PIP letter (no specific rate required)
- Front page of Attendance Allowance letter (no specific rate required)
- Evidence that registered severely sight impaired (blind)
- Recognised Assistance Dog ID card
- Letter from 24hr Care Home (please contact the Box Office)
- Recognised Access Card with a +1 symbol (such as CredAbility or Compass)

(Please feel free to blackout any information that relates to amount of benefit paid or health conditions etc. that might be on any documents submitted)

If you do not have any of the above evidence but wish to apply for a free ticket for a Personal Assistant, please complete the Access Requirement Form, Section 3.2. You are welcome to post or email copies of any additional evidence that supports your application if you have any, or to contact us to discuss your application. Applications are assessed on a case-by-case basis.
